

# CITY WEDDINGS

**Regency Diamonds**, third generation manufacturers of diamonds and fine jewelry selling to high-end jewelry stores all over the country,

now is cutting you in on the deal: thousands of diamonds and hundreds of styles of engagement rings and wedding bands to choose from at wholesale prices. "Even with all our samples, brides still want something customized," says president/gemologist David Levy. With a diamond-cutting factory right on the premises to create exactly what you want, you have the added benefit of seeing first hand how it's done. By appointment only.
